That works for me. We were waiting to be assigned to a Deputy Attorney General and to be given instructions on what to expect before we could begin to answer any questions.

Now that has been done and we can give you a very good sense of what to expect/timelines moving forward.

Tom,

I thought about asking yesterday but figured you would have mentioned it if there had been movement.
Tomorrow afternoon will work.
I can do anytime between 2-3.
Will you call me?

Molly:

Wanted to get you caught up on legal proceedings filed against SMBRC.

Let me know when you have the time for a quick chat.

Best,

Tom
